Orange Spectacular®

Welcome to the Orange Spectacular

Thank you for taking the time and making the effort to exhibit your machinery here at the Orange Spectacular. If you have any questions, please contact a director, or stop by the Registration Table and we will do our best to help you. We are glad you are here! Please enjoy the show!

* Safety Rules *

These are the operating regulations and safety rules for owners and operators of all equipment brought to be displayed and operated at the Orange Spectacular®. These rules are for your own protection as well as for the many visitors who come to our show.

EQUIPMENT OWNERS ARE RESPONSIBLE FOR THEIR EQUIPMENT WHILE ON THE GROUNDS AND THIS INCLUDES ANYONE THAT IS OPERATING SAID EQUIPMENT.

BE ALERT & BE CAREFUL

SAFETY MUST ALWAYS COME FIRST: If in doubt, ask someone. Your knowledge and skill are what makes each of us safe and courteous operators. Be courteous and friendly to the people who come to our show. Let these visitors know that we appreciate them coming to the show. Without these visitors there would be no show.

- **DO NOT MAKE ANY ADJUSTMENTS WHILE EQUIPMENT IS MOVING OR OPERATING:** No part of our show is so important that we cannot wait for adjustments to be made safely.
- Drive your equipment responsibly.
- **NO RIDERS** on equipment while it is moving.
- Operate equipment in low gear.
- Block wheels if there is any danger of moving or rolling, especially if someone releases the brake or clutch on a hill.
- When doing any belt work, be sure engine is in alignment with the other machine. Belts that slip off the pulley may cause serious injuries. The operator is responsible for ensuring that people are a safe distance before starting.
- Be extremely careful when handling fuel. Stop engines when putting fuel in.
- Tractors and Equipment should **never be left unattended when they are running.**
- Be incredibly careful when pulling equipment. Have the correct and adequate hitch pin and receiver hitch and ball.
- Know your surroundings when loading and unloading. **Only load and unload in specified areas.** If you do not know those areas, please ask.
- Turn off fuel tank when parked.
- Know where fire extinguishers and emergency contacts are located around you.
- **Parade Time:** Be ready at parade time and **line up only in designated staging area.** There will be a coordinator to tell you in what order equipment will go into the parade. **Do not cut into line.** If you are unsure of the process, check with the Registration Table.
